

Q1 2017

Search Smarter.

New Mailing Lists, Search Options and More

Now you can find new prospects and buy mailing lists based on over 350 financial, demographic and interest categories. Search and filter by geography, home value, wealth markers, hobbies, interests and more. Pinpoint potential major donors "Hiding in plain sight" in our philanthropic database of over 125 million records.

Additional Services Introduced:

- Use custom Keyword Searches to find Large Organizational giving.
- Update your email and recover your password from the login portal
- Export User Reports directly to Word Format

We Start With Proven Philanthropy.

VISIONARY

To be visionary is to perceive the intangible –
To imagine more than what's accepted as possible.
How can we cultivate the unseen to create a more
vibrant future?
